

Something Stupid

Frank Sinatra 1e stem: Rocky

Nancy Sinatra 2 stem: Koor

I know I stand in line until you think you have the time to spend
an evening with me

And if we go someplace to dance I know that there's a chance
you won't be leaving with me.

Then afterwards we drop into a quite little place and have a
drink or two

And then I go and spoil it all by sayin' something stupid like I
love you...

I can see it in you eyes that you despise the same old lines
you've heard the night before

And though it's just a line to you for me it's true and never
seemed so right before

I practice every day to find some clever lines to say to make the
meaning come through

But then I think I wait until the evening gets late and I'm alone
with you

The time is right you're perfume fills my head the stars get red
and oh the night so blue

And then I go and spoil it all by sayin' something stupid like I
love you...

The time is right you're perfume fills my head the stars get red
and oh the night so blue

And then I go and spoil it all by sayin' something stupid like
I love you... I love you, I love you, I love you
