Refrein:

Keep on smiling

Keep on smiling

Keep on smiling

The very best is there for you
Just go right out and take a few

Couplet 1:

I know a little shanty town
Where the people gather round
Singing dancing all the way
Like happy children out to play (← Sopranen 1e stem **8va**, alten: 2e stem)
Just watch the people how they dance
You'd think that they're in a trance
Melodies from their guitars
Leave you just gazing at the stars

Muzikaal tussenspel

Nog een keer **Refrein**

Couplet 2:

You should enjoy the best of life
And be happy without strife
In case tomorrow never comes
Be sure to have some fun (← Sopranen 1e stem **8va**, alten: 2e stem)
The best is waiting there for you
Just go right out and take a few
There are million stars above
They're shining down upon your love

Zing 2x **Refrein**
